**BLUEBONNET  
AT THE EAST TEXAS OIL MUSEUM**

Bluebonnet the traveling Texas armadillo ambled through the pine-tree forests of East Texas. “Surely I’m getting close to Irmadillo’s burrow,” she said.

It had been many years since Bluebonnet and her three sisters, Normadillo, Irmadillo, and Arvilladillo, were little armadillos, growing up in the Texas Hill Country. Armadillo “pups” are born four at a time and are either all boys or all girls.
